Codsall WV8 2AH

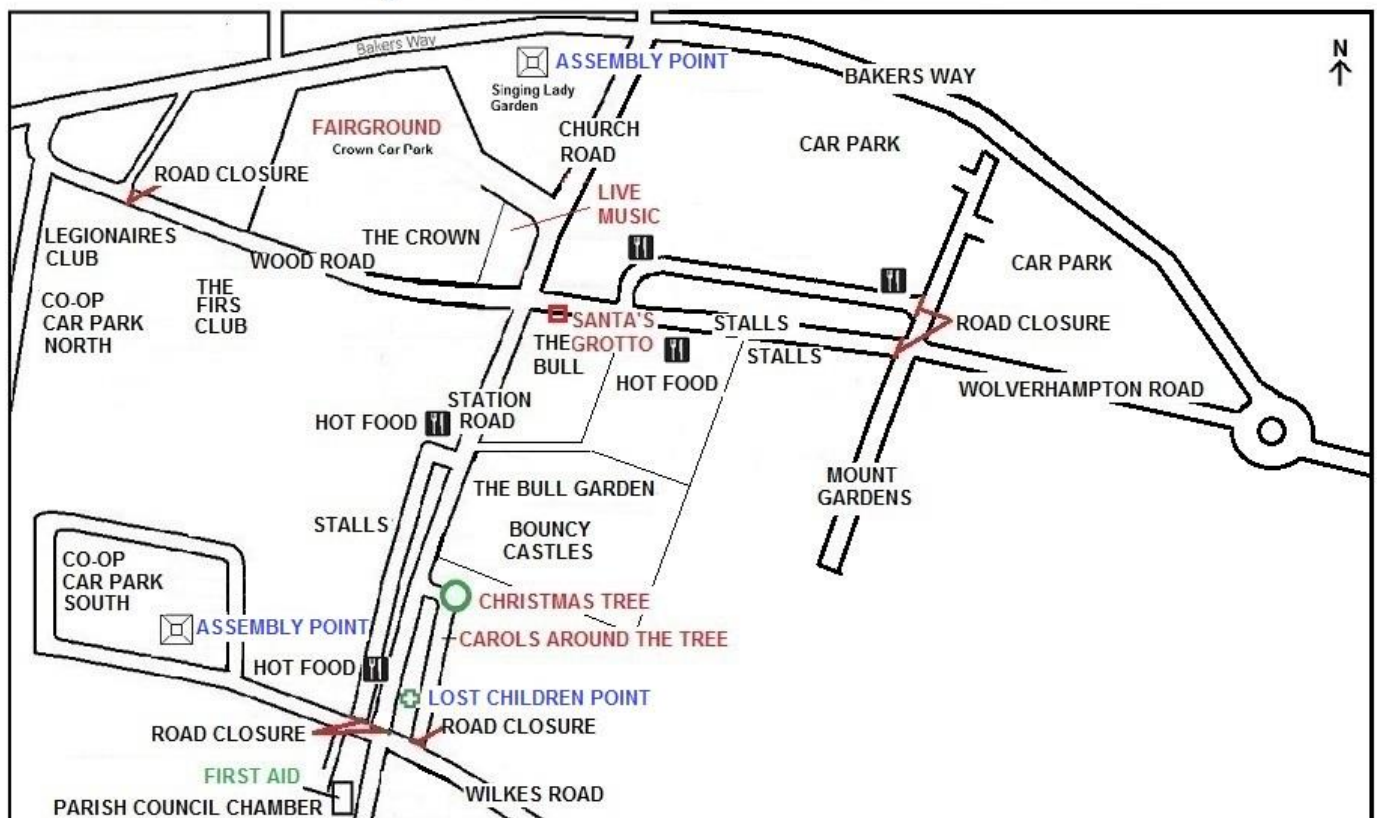

We are delighted to announce Codsall Christmas Fair on Friday 7 December 2018

This letter is to advise you of the arrangements for this year's **Codsall Christmas Fair**

Over the past three years, the event has proved to be incredibly popular with live music, street entertainment, fairground rides, plenty of hot food and drinks and trade stalls selling a wide range of Christmas gifts and produce and, of course, our traditional school choirs singing carols around the Christmas Tree.

Although our **Codsall Christmas Fair** Event Area remains the same as 2017, the live music will be moved from the trailer across Station Road to The Square. The carols remain unchanged near the Christmas tree in Station Road.

Codsall Christmas Fair 2018

The road closures will be from **2pm to 9.30pm** and will affect:

Station Road: Between the Square and Compton Hospice / Blunts Shoe Shop

Wolverhampton Road: Between the Square and Mount Gardens / entrance to Bakers Way car parks

Wood Road: Between the Square and the bus turning lane, opposite the Legionnaires Club

There will be no vehicle access to **The Crown** car park throughout the day or **The Bull** car park after 1.30pm

The road closures will leave unrestricted access to and from Wilkes Road, Bakers Way, Mount Gardens and the remainder of Wood Road, Wolverhampton Road and Station Road. The Co-op / Legionnaires Club car parks and Bakers Way car parks will also remain available.

Continued.....

Although businesses and most residents in Station Road and Wolverhampton Road have access to the rear of their premises, we do recognise that residents of Kenmare House in Station Road and the businesses in the closed portion of Wood Road will not be able to bring vehicles in or out during the event. We would therefore suggest that if you are likely to need a car, you may wish to leave it on one of the village car parks until the end of the event. Similarly, if businesses in Wood Road are expecting deliveries or collections, please advise all parties that they will not have access to Wood Road between 2pm and 9.30pm. Our apologies for any inconvenience but it is a very good cause.

For residents of The House by the Square in Wood Road, we have made a provision for you to gain access to and from your car park at the back of the building during the event. If you wish to leave or gain access to your car park during the event, you must **first** contact one of the marshals. You will find the marshals on duty around The Square area wearing high visibility yellow jackets. It is important that you do not enter Wood Road with your vehicle without a marshal's support as there will be pedestrians, many of them children, so a marshal must be present to oversee cars through the temporary pedestrianised area. The marshal will also remove and replace the barriers after you.

To the residents of Wheel Avenue and Wilkes Road, we recognise that you have a right to park outside your homes but as these roads will be a temporary route for through traffic, if you have the option to park on your driveways, or elsewhere in the immediate area, just for the few hours whilst the Christmas Fair is on, this would be very much appreciated. Many thanks for your kind understanding.

We do hope you will come and enjoy the event. We hope it will again be a great success and a suitable start to the festive season. If you have any questions, please call Lewis Stovin on 07785 771404 or Megan Barrow on 07702 310939 or send an email to info@codsallchristmasfair.co.uk or via the Christmas Fair website at www.codsallchristmasfair.co.uk
